

### English Communication, Language and Literacy

#### Non-fiction and information writing

Information reports on the History of the RAF  
Non-chronological reports on the different types of planes used by the RAF

#### Narrative

Using the short animation Piano by Aidan Gibbons we will be creating our own memoirs with flash backs and forwards.

#### Poetry

Using Lost Words we will be creating our own illustrated poetry.

### Maths

Coordinates and use of these  
Reflection, rotation and translation of shapes on grids.  
Angles on a straight line, opposite angles and at a point  
Angles within triangles, rhombuses, parallelograms and trapeziums.  
Problem solving investigations.

### Scientific and Technological

#### Science

Trips to BAYLAB and a STEM science and engineering day at school.

#### Forces – Air resistance

- explain that unsupported objects fall towards the Earth because of the force of gravity acting between the Earth and the falling object
- identify the effects of air resistance, water resistance and friction, that act between moving surfaces

**Computing** – Using the internet to research information. Knowing which sites provide reliable information and how to use the information found within work.  
Creating and using databases

### RAF 100

This is an overview of our topic for term 2b, if you have anything to contribute which would enrich our work, we would encourage you to be involved.

### The Arts

Wax resist work creating plane filled skies.  
Sketching and watercolours creating detailed images of planes.

DT - building own models of plane wings from balsa wood, creating templates and cutting out and assembling the different parts.

### Religious Education

How do Muslims express their beliefs through their practices?

How do Muslims show commitment?

Christianity – Holy Week - Did God intend Jesus to be sacrificed?

### Physical Development, Health and Well-being

- Swimming – Gaining confidence within the water and improving stroke and technique.
- Team Games – working as a member of a team, following rules and accepting the decision of the umpire.

#### PHSE

- Taking care of their bodies
- Role of money
- Death and Loss

### Topic

Researching about the history of the Royal Airforce and its 100 year history. Exploring the local history of RAF Milton and Milton Height's part. Researching planes used such as the Spitfire, Hurricane and Lancaster Bomber and the importance of these and the different roles that they played.
