

Please complete the maths sheet.

This week in Poplar Class we have been:

- writing letters to Beegu. We were really sad when she flew back to Mars but she sent us a letter and we quickly wrote her replies.
- writing and decorating invitations to Stay and Play
- counting objects and pictures in groups of 2, 5 and 3 and finding related multiplication number sentences
- learning how to play Rounders – we worked so well to learn new skills and as a team
- continuing to learn the songs and actions for Oliver!
- applying our knowledge of fractions (half, quarter, third, two quarters, etc.) by making pizzas in the role play area
- designing and making a healthy meal using junk modelling; thinking about choosing the appropriate resource for each food (for example, wool for spaghetti)
- making houmous – yum!

To support your child at home you could:

- find out about what needs to be included in a healthy meal
- write a letter to a friend or relative
- write a story about Beegu
- practise counting in steps of 10, 2, 5 and 3 – please keep watching the counting/ times table videos on our class page on the website to reinforce this knowledge
- practise the words and actions for Oliver!
- make houmous - <https://www.bbcgoodfood.com/recipes/775663/carrot-houmous-with-pitta-dippers>

Useful dates

- Stay and Play – Thursday 1st February
- Oliver performance – Wednesday 7th February (day time and evening), Thursday 8th February (day time and evening)

Please keep checking our 'Poplar class' page on the website for photos/ updates of what we have been learning about! <http://www.st-blaise.oxon.sch.uk/category/poplar/>
