What would I do if my child was being bullied?

- Express my concerns to the teacher/headteacher. If I knew the parent I would ask to have a chat
- Inform the school, work with the school to put a stop to it
- I would approach staff/headteacher, they are all amazing and I know it will be dealt with immediately
- Speak to a teacher or member of staff (7)
- Speak to my child's class teacher or headteacher if still not resolved
- I would talk to the child's teacher or the parent of the other child if I felt they were approachable
- Talk to my child and encourage them to talk to a teacher or member of staff
- Approach the teacher – they are always happy to talk
- If my child was being bullied I would speak to the child's mother/father, but if it continued speak to the teacher/head teacher
