

Help us celebrate your child's achievements.

In Foundation Stage we love watching your child develop and celebrate his or her achievements. Throughout the year we record those achievements in their individual Learning Journeys, which we love to share with you at our Stay and Play sessions and Parents Meetings. It is really important that you as parents also input into your child's Learning Journey, we love to hear what your child enjoys and achieves at home or what progress you have noticed. This helps us create a well-rounded picture of your child.

We invite you to send in 'Star Moments' when there is something you would like to share with us. For example, your child's favourite story, when your child first rides their bike without stabilisers, how they built something out of Lego.... The list is endless. Below are some examples of these 'Star Moments'.

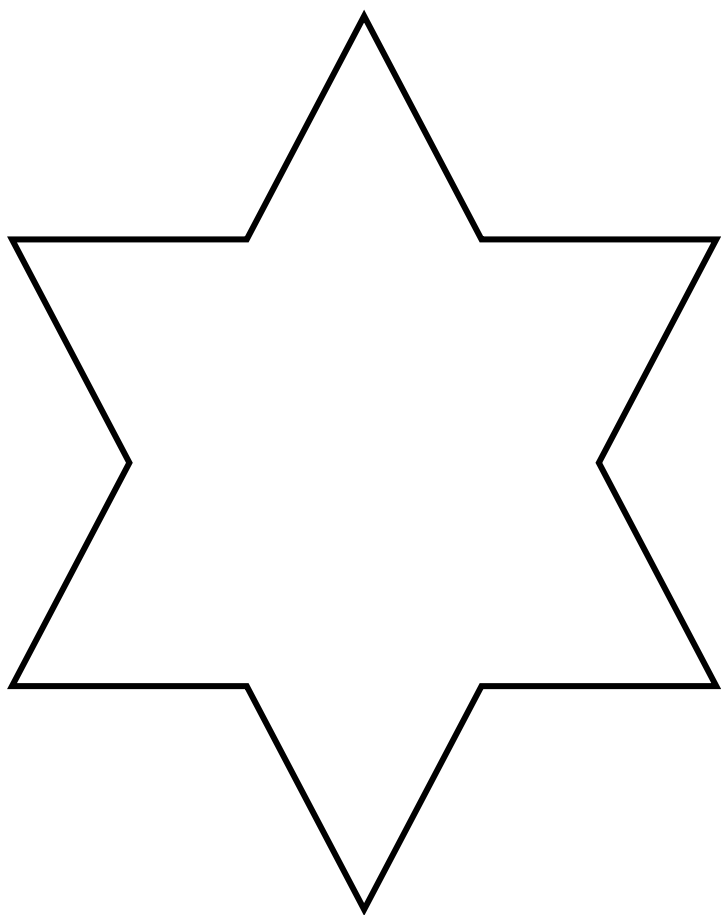

Attached is a sheet of 'Star Moments' for you to use and send in when you wish.

Thank you.
