

# Do Try this at Home

## Tinkerlab

Think Tinkerbell! Think up-cycling! Making something from old bits and pieces.

## Resources

- Boxes of different shapes and sizes
- Margarine tubs, yogurt pots, paper cups
- Paper plates, cardboard tubs
- Lids
- Straws, pipe cleaners
- Sticky tape, masking tape, glue
- Coloured paper, scraps of material

## Ideas of things to make

- Robot
- Car, train, boat or plane
- Animal, dinosaur
- House or other building

## Learning opportunities

- Cutting and shaping different materials.
- Joining materials using glue, tape, pipe cleaners.
- Making moving parts like wheels and doors which open
- Painting, decorating and finishing a product
