

English Communication, Language and Literacy

Narrative

Creating setting and character descriptions through exploring the text of CS Lewis – The Lion the Witch and the Wardrobe. From this we will create our own stories – continuing from the point that Lucy goes through the Wardrobe and enters Narnia.

Persuasive Writing

Creating own adverts to persuade others to buy Turkish Delight

Play Scripts

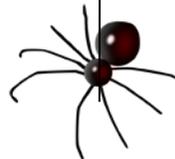

Creating our own play scripts, adapting our writing to be in the present tense

Maths

Place Value - numbers up to 10 million and decimals

Addition and Subtraction - Column method - money and decimals

Multiplication and Division by 10, 100 and 1000

Oxford Authors

This is an overview of our topic for term 1a which the children have helped to plan. If you have anything to contribute which would enrich our work, we would encourage you to be involved.

Topic

Geography

Map and Atlas work - being able to label cities, rivers, counties and other key features within the UK. Using compasses to give directions and give six figure grid references.

Use OS, Atlases and digital maps to describe locations and give directions.

Create their own maps of Narnia with keys which they can give grid reference for specific places and directions from.

Research about the lives of Oxford authors such as Pullman. CS Lewis. Lewis Carroll and JR Tolkien.

The Arts

Art

Illuminated Letters how they are created and where they are used. Water colour techniques; exploring maps of Middle Earth and then creating own maps of Narnia

Music

Exploring the work of Anna Merideth and the use of body percussion in music. Creating and performing their own pieces using body percussion.

French

Giving directions as to where places are and introducing themselves. Holding short conversations.

Physical Development, Health and Well-being

PE - Gymnastics - Compiling sequences to specific timings involving balances, travelling and holding shapes. Linking sequences with those of others and performing Team Games - working as a member of a team, following rules and accepting the decision of the umpire.

PHSE - Responsibilities and Resolving Disputes

Scientific and Technological Science

Evolution and Inheritance. We will be looking at what DNA is and its importance as well as extracting DNA from fruit.

Computing

Coding using Scratch - movement of Sprites incorporating use of PICO boards

Religious Education

Why are sacred texts important (QCA 6c)

Introduction to Islam – God as creator, 5 pillars of Islam – What is best way for Muslim to show commitment to God (Discovery Y6)

Harvest

Narnia – Christian Links through topic
