

# St Blaise School 9/11/18

Dear Parents and carers,

This week has been extremely Interesting, thoughtful and educational for us all. It has been a real pleasure learning alongside the children, discovering from Oak that elephants were used in World War One, looking at Riley' trench art with him and finding out more about the fallen from Milton. On Thursday we held a special worship where we heard war poems and held a silence. The children have asked great questions and been very thoughtful. For those of you who were able to come and see Archie Dobson's War we found ourselves transported back to WW1 through music and drama. The play was extremely moving and gave us a real insight into the lives of everyday people affected by war. Thank you to the staff and pupils for making this a memorable and worthwhile week.

They shall grow not old, as we that are left grow old:  
Age shall not weary them, nor the years condemn.  
At the going down of the sun and in the morning  
We will remember them.

On Tuesday six Maple children helped at the Methodist Church lunch. We enjoyed a roast beef lunch with the members of the lunch club. The children were so well mannered and helpful and were a real credit to the school and their families.

Can I respectfully remind you that if you have any problems and worries about your child, their class or other school matters, that you come and speak to a member of staff. It is very difficult for us to support your children if we don't know about your concerns. We may not be able to solve situations overnight but we will always try our best to help and support everyone in our community.

We hope that you have a lovely weekend

Very best wishes,

Ruth Leach and the staff team

## Zumba in the hall – Thursdays!!!!

Adults £2 Children £1  
(No unaccompanied children please)

For those with children at Xmas Club why not go Zumba?!!

For those without children at Xmas Club you can still Zumba – with or without your children!

asthma  
UK

This week staff have had asthma training. It has reminded us about a very useful website which has lots of great resources.

<https://www.asthma.org.uk/>

All children with Asthma will need a plan – Rachel will be distributing these next week.

### Dates for your diary
