

IT Code of Conduct – EYFS and KS1

This Code of Conduct applies at all times both in and out of lessons, whilst using school equipment.

	I will look after school IT equipment
	I will only do things set by my teacher
	I will always tell an adult if something on screen upsets me

All pupils will have their own individual log in's.

A copy of the e-safety and anti-bullying policy is available on the school website

At home when I am using my electronic devices please remember

- ☺ To check on me
- ☺ Ask me about the programs that I am using – consider using parent control apps and reports
- ☺ Help me to think about safe places to use devices
- ☺ Too much screen time will hurt my eyes and might damage my health – it is recommended that this should not exceed 1 hour

Parents/Carers

I understand that:

1. Parents/carers are not expected to post pictures of pupils other than their own children on social networking sites
2. Parents/carers should make complaints through official school channels rather than posting them on social networking sites
3. Parents/carers should not post malicious or fictitious comments on social networking sites about any member of the school community

I agree to the Computing Code of Conduct and will abide by the rules at all times
