Dear Waitrose,

We are writing to you from a small school at the edge of Didcot. We really enjoyed watching your Christmas advert starring the young and adorable dragon, it looked amazing and really got us into the Christmas spirit! At our school we are turning our library into a white Christmas Wonderland inspired by your Edgar advert. We would be extremely grateful if you were able to donate us one of your cuddly, soft Edgar dragon accompanied by the wonderful, heartwarming story you have created. One of our marvellous Teaching Assistants, Margaret Patching, works at your store and loves the friendly atmosphere that welcomes everybody. We think this will be a great opportunity to invite young children in our school to love reading and to learn the importance of Christmas, especially in our Christian school.

Yours Sincerely

Emily and Lily (Yr6) St Blaise C of E Primary School
