Dear All,

It has been so lovely to talk to so many of you this week and to see the amazing work that people have been submitting through Google Classroom or by photographs. We have been overwhelmed with the efforts that people have been going to.

Please send lots of photos of your VE day celebrations we would like to fill next weeks newsletter with family and staff photos.

You will all be aware that on Sunday we may know more about the changes to lockdown restrictions. Schools find out at the same time as everyone else. As soon as we know more I will be in touch about how we will work with the changes.

## NEXT COMPETITION

Please take a photo of your VE day celebrations – we will decide who looks as though they had the best time!

Please can any outstanding money be paid using school money. Next week Katy will begin to send out reminders and requests for bills to be paid. From September we will not be in a position to have any money outstanding for school dinners.
