

18/6/2020

Dear All,

It is so heartwarming to see and hear from so many of you. We admire you whether you are home schooling or bringing your children into school, these are difficult times but we can all remain positive together. It is our dream that we fully reunite in September and as more information is available we will make sure that you know our plans as quickly as possible.

We are delighted to report that the building project is well under way – it is really exciting to see the daily changes as the site office and compound is installed. We now have a fenced safe school field that we are making good use of. Kallum has written the first reports; we will send them as separate documents so that you can keep in touch with the developments, they will also be on the website.

During the summer holiday the school kitchen will be undergoing expansion and refurbishment work. We have some equipment that we will not be able to recycle and wondered if anyone you know needs it? We have a catering metal topped island, steaming oven and a hot cabinet. We would like to see these pieces rehomed– if you know of any community groups that might be interested we can arrange a social distanced viewing.

We have a part time TA vacancy and would like to promote it amongst the school family and local community. The post will be in Year three and four, please have a look on the website for details.

Helping in the garden

Is there anyone out there that could give an hour or two of their time on a Friday?? Our beloved science garden is being well used but not weeded! The children are really enjoying using the space and we need to keep on top of the up keep. If you felt you could help we thought perhaps that a

family or two at a time could socially distance and come in to do some basic gardening and painting. Please let me know if you would be interested or would like more detail –

headteacher.3260@st-blaise.oxon.sch.uk

Please keep sending us your photos – we love to see the things that you have been up to.

Please take care – have a super weekend

Thinking of you all,

Ruth Leach and the staff of St Blaise.
