Spelling, Punctuation and Grammar

A guide for KS1 Parents

January 2022

Dear Parents,

Spelling, Punctuation and Grammar (SPaG) is taught throughout the school and tested nationally in Year Six. Children will be assessed on their ability to recall their knowledge and apply these skills in practise to demonastrate their understanding in these areas so it is vital that we work together to prepare them for this. Quality teaching of SPaG in school and your support with the extension tasks set as homework, will give your child the best possible chance of success.

Your child doesn't just have to be good at writing; they also need a technical understanding of how the English language works, including the correct grammatical terminology appropriate to their year group. Supporting your child with learning SPaG can be challenging so we hope you will find this reference and glossary helpful and keep it to help you support your child with their learning.
