At St Blaise, we are committed to ensuring that every child thrives academically, socially, and emotionally.
Our approach to one-to-one support is tailored for pupils with SEND to help them explore and achieve at school.

All of these strategies are embedded in our practice as part of our universal offer.

However, for children who have one-to-one support as a part of their plan require more intense access to these approaches.

Communication:
Supporting interactions with peers and members of staff.
Checking for understanding of tasks and/or instructions.
Developing conversation, turn-taking and social skills.
Modelling language and social stories.

Learning support:
Boosting confidence and independence.
Ensuring access to the full curriculum.
Giving targeted learning support or intervention.

Physical and emotional safety:
Providing emotional guidance or co-regulation.
Providing calm and patient responses.
Recognising frustration and/or anxiety.
Monitoring physical safety around the school.
Supporting with meals and toileting.
Reassuring pupils about routines and expectations.

St Blaise CE Primary School

Exploring and achieving as we grow together.

Together we love and respect. We are creative, we are determined, we are confident, we are kind.
